## Health Management Operations – Q1 2026 Prior Authorization List Effective 02/15/2026 (updated monthly)

### Important Information for Altais Clinical Network Providers

#### Information generally required to support authorization decision making includes:

- Completed PA Form
- Current (up to 6 months), adequate patient history related to the requested services
- Relevant physical examination that addresses the problem
- Relevant lab or radiology results to support the request (including previous MRI, CT Lab or X-ray report/results).
- Relevant specialty consultation notes.
- Any other information or data specific to the request

#### Information generally required to support Home Health authorization decision making includes:

- Completed PA Form
- Signed MD order
- Supporting clinical documentation from the certifying physician and
- A plan of care

**The Urgent/Expedited service request designation should only be used if the treatment is required to prevent serious deterioration in the member's health or could jeopardize their ability to regain maximum function. Requests outside of this definition will be handled as routine/non-urgent.**

- If a request for services is denied, the requesting provider and the member will receive a letter explaining the reason for the denial and additional information regarding the grievance and appeals process. Denials also are communicated to the provider by telephone, fax, or electronic notification. Verbal, fax, or electronic denials are given within one business day of making the denial decision or sooner if required by the member's condition.

For **Brown and Toland Physicians'** Providers and members can request a copy of the criteria used to review requests for medical services by calling **(800) 225-5637**.

For **Family Care Specialists'** Providers and members, you can request a copy of the criteria used to review your requests for medical services by calling **(855) 513-4007**.

- Altais Health Solutions has a full-time Medical Director available to discuss medical necessity decisions with the requesting practitioner.

**Applicable Codes:** The procedure and/or diagnosis codes on the table are provided for reference purposes only and may not be all-inclusive. The listing of a code does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by the member-specific benefit plan document and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other policies and guidelines may apply.
